ICP Healing Touch Introduction: *Expand Your Healing Potential* HTP ANCC Continuing Education (CE) Requirements

Target Audience: Nurses, professional caregivers and administrators in healthcare facilities

Goals: Learn about and experience Healing Touch; Generate interest in a Level 1 class

Time: 1, 2 or 3 CE hours

Learning objectives:

1. Describe Healing Touch as an effective integrative care therapy.
2. Explain how Healing Touch can benefit patients in the healthcare setting.
3. Discuss ways Healing Touch can benefit caregivers.

Additional Presenter Documents Required Before the Presentation Class:

- **HTP Conflict of Interest Form**

Class Documents Required:

- **ICP HT Intro Marketing Flyer**

The ICP HT Intro Marketing Flyer has the required ANCC CE wording. This Word document may be customized with the presentation information and will be used to market the class.

- **ICP HT Intro Student Handout**

Presenters must coordinate with the facility or group to provide the Student Handout with ANCC required wording to all students before the class begins, either by email or a printed copy in the classroom. There is also an optional Self-care Handout available for students.

- **ICP HT Intro Attendance Roster**

The required attendance roster is an excel spreadsheet and the names of all students with their information must be on the roster and attendance must be verified.

Class Document Submission to HTP following the presentation class:

Within two business days the following presentation, the three class documents listed above must be emailed to the ICP Manager at ICP@HealingTouchProgram.com.

Student CE Certificate Information

Students must follow directions on the Student Handout and go online within 30 days after the class to complete the evaluation and pay the \$5 certificate fee to HTP. Their continuing education certificate will be emailed to them within one week.
